

UNBOX YOUR POTENTIAL
DHL'S CUSTOMISED PACKAGING SOLUTION

The Perfect Fit For Your Unique Product

At DHL Express, we understand the diverse shipping needs of our customers and strive to provide tailored solutions that meet their requirements. Our Customised Packing Solutions are designed to optimise your supply chain processes and create a memorable unboxing experience for your customers.

ENHANCED PROTECTION

Your products will be delivered in perfect condition, thanks to our high-quality and sturdy packaging that meets strict production standards

IMPROVED EFFICIENCY

Our custom fit boxes are tailored to your specific products, reducing packing time and effort.

DEFINED CHARGEABLE WEIGHT

The box size determines the price of shipping based on the actual weight or the volumetric weight of the package, whichever is higher. Keep shipping costs in your control.

COST EFFECTIVE

The appropriately sized packaging minimizes wasted space and helps prevent the need for excessive fillers, reducing overall shipping weight and associated costs.

ENVIRONMENTALLY SUSTAINABLE

These boxes are made from sustainable materials, such as recycled paper and cardboard, enabling you to showcase your commitment to an eco-friendly environment and to create a positive brand experience for your customers.
